

# Sparkles 'n' Spurs

Saturday, June 19, 2010

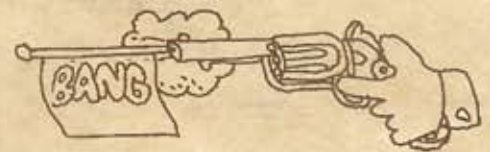

Good old fashioned fun and fraternizin' is awaitin' you at the homestead of Jim and Nancy Curtes. "Somewhere in Time 1910" is a revisiting of the Wild West at its best. It will be a dandy of an evenin' filled with events and activities for a rootin'-tootin' good time. Exquisite western-style vittles are planned and will be followed by a brief voice auction of some mighty fine items! So, dust off those cowboy boots or don your bustier. Rustle up your gang and swagger on over to The Curtes Corral. Thank you for your support of the Cedar Lakes Conservation Foundation.
